5th International Conference on Cognitive Computing and Information Processing (CCIP 2023)

15th-16th
December
2023

JSS STU, Mysuru, India

About CCIP 2023

The international conference on cognitive computing and information processing (CCIP-2023) solicits high-quality original research articles covering a large spectrum of topics related to global knowledge concerning computing, technologies, and communication. This conference will provide an excellent international forum for sharing knowledge and result in theory, methodology and application of computer science and information processing.

The conference looks for significant contributions in all major fields of computer science, information technology and electrical science in theoretical and practical aspects. This conference aims to bring researchers, graduate students, and participants from the industry to report and review the current progress in the field of computing and information processing.

Important Dates

Paper Submission – 15/09/2023
Paper Acceptance Notification – 30/09/2023
Camera Ready Paper Submission – 15/10/2023
& Registration

CCIP 2023

Call For Papers

The conference topics focus on challenging aspects in the next generation of computing, information processing and communications but not limited to the following:

- Machine Learning
- Artificial Intelligence
- Neural Networks
- Swarm and Evolution Computing
- Biometrics
- Data Mining
- Speech Processing
- Structural Health Monitoring
- Intelligent Control Systems
- Cloud computing
- Aerospace Control System
- VLSI Design
- Bio Informatics
- Big Data Analytics
- Smart Manufacturing Processing
- Video Analytics / Text Analytics
- Medical Image and Signal Processing
- Power Engineering Applications
- Cognitive Computing Applications in Networking
- Natural Language Processing
- Internet of Things
- 5G Technologies
- Augmented and Virtual reality
- Wireless Sensor Networks
- Cyber Security
- Embedded Systems
- Engineering Applications

Registration Fees (Inclusive of GST and other charges)

Category	Indian	Foreigner
Faculty/Industry	Rs.7000/-	\$200
Research Scholars	Rs.6000/-	\$150
Listeners	Rs.3000/-	\$100

Paper Submission

Potential authors may submit their original and unpublished research work for consideration. All submissions to the conference should be written in English with a maximum paper length of 12 printed pages including figures and should strictly follow the Springer CCIS/LNCS format. Submitted papers will undergo a peer review process and plagiarism check. All submissions need to be submitted through CMT using the link <https://qrco.de/beEFLG>

Organized by

Department of Computer Science & Engineering
Department of Information Science & Engineering
Department of Computer Applications
JSS Science and Technology University
JSSTI Campus, Mysuru, Karnataka, INDIA - 570 006
